

# Helping Struggling Readers become Wonderful Readers (and nothing less)

3rd grade thru forever (ages 8-88)

A 2 hour Class for PARENTS,  
EDUCATORS, and INTERESTED COMMUNITY MEMBERS

This presentation is an overview of the

- why (theory)
- what (method)
- how (application)

for nurturing wonderful readers.

***Learn how to help*** readers rebuild a neural pathway for great reading  
when readers learn to use an appropriate mix of:

- vocabulary
- visual cues
- their knowledge of the world
- language structure
